Caleb wasn't coming out, per se. That would imply that he had previously been closeted. In reality, it had just never occurred to him that he might be attracted to men. Until that is, a pair of emerald eyes and a chiseled jawline at the gym caught his attention.

After the man that he had thought he would spend the rest of his life with had suddenly walked out on him with no explanation, Kane had all but given up on love and immersed himself in his work. Not everyone gets a happily ever after.

Then came the day when Caleb was caught staring, and their worlds shifted. Could Caleb really be his one and only?
