J.J. Houston: Trail of the Grey Wolf (Volume 2) B.K. Crawford

It's the summer of 1964 and thirteen year old J.J. Houston must do what any amateur archaeologist would do when she realizes sinister forces are behind the disappearance of hundreds of children in Bradford County...dig. To get a leg up on solving the case, J.J. swipes her Pappy's journal and learns of an underground military base located on Sullivan Hill. Exploring the base may prove treacherous at best, a lethal mistake at worst, but ignoring the glaring signs leading to the mountain isn't an option. King Donkey butt, Ricky, has stolen J.J.'s most prized possession. The Houston clan receives two unexpected guests for the summer. Bo and J.J. are confronted by an irritated police woman, and unthinkable things are happening on the mountain. Join J.J. and her pals as she unravels the Trail of the Grey Wolf.
