**SNAFU: A Hysterical Memoir About Why the Government Doesn't Work** Ellen Roberge

Enjoy the hysterically amusing, some astonishing, and irreverent but true stories of the Federal Government as I lived it for 28 years. There is something here for everyone who's ever had to deal with the Government. It will most certainly appeal to the 14.6 million currently employed Federal civil service employees, as well as all retirees (they may not like what I've written, but they'll be hard pressed to dispute it).
