The Angriest Angel Christopher Halt

Chase Madison had a tough childhood. Raised in a broken home and struggling with undiagnosed Adhd, he was constantly in trouble. Life didn't get much better as an adult-jailed, abandoned by family and friends, and fired from his job. But then he meets the Caelans. They look like and act like us, but they are not from this planet. Completely peaceful, they've lived here for years, hiding in plain sight by using a mental ability called 'psy' to maintain their secret identity. But after more than 50 years of peace, anger has begun to infect the Caelans-like a sickness-forcing all 939 to be quarantined here. And when they meet Chase, they discover that their psy does not work on him. His immunity to their power presents a serious security risk. Join Chase on the adventure of his life as he makes wondrous discoveries, improbable friends, terrifying enemies, finds unexpected love, and begins to believe in himself-for the first time in his life.
