THE FOREVER INSTINCT

From America's beloved storyteller, Barbara Delinsky, comes a classic novel of a man and woman following their instincts—and doing what comes naturally...

When Jordanna Kirkland agrees to go backpacking in New Hampshire, she doesn't realize the trip is for men only—and that one of those men would be Patrick Claves. Not only is Patrick rugged, handsome, and irresistibly charming, he's also her ex-husband's business rival in New York. Jordanna knows she should ignore her attraction to Patrick. But when the nights get cold, those lips of his are awfully warm—and impossible to resist. Why fight it? What happens in the wild stays in the wild, right? The real problem starts when Jordanna and Patrick go back to the boardrooms of Manhattan—but the passion never stops...
