The Straight Road to Kylie Nico Medina

Life is fabulous for Jonathan Parish.

He's seventeen, out and proud, and ready to party through senior year with his posse of best girlfriends. But the year starts off with the wrong kind of bang when Jonathan -- in an inebriated lapse of judgment -- sleeps with a friend of his...a *girl* friend!

When word gets around that hot-but-previously-unavailable Jonathan might be on the market, the school's It girl approaches him with a proposal: pretend to be her boyfriend, and achieve popularity like he's never known. But popularity isn't what Jonathan wants. And suddenly, going back into the closet becomes Jonathan's only way to get what he's after -- a trip to see Kylie Minogue.
