“Inspiring, entertaining and wonderfully descriptive.” You will feel as though you have pedaled through the streets of France and Belgium yourself as you experience delightfully inspiring stories that will have you smiling one minute and brushing away a tear the next. From the curious French priest to the faithful “petite grand-mère” these reflective narratives weave together thoughtful insights into the life-long impact of serving a mission. While a perfect read for those who have yet to serve a mission, “How to ride a Bike in a Dress” is also a poignant glance back for those who already have. It is funny. It is spiritual. It is memorable.
