Out in the Field Kate McMurray

"2nd Edition"

Matt Blanco is a legend on the Brooklyn Eagles, but time and injuries have taken their toll. With his career nearing its end, he's almost made it to retirement without anyone learning his biggest secret: he's gay in a profession not particularly known for its tolerance.

Iggy Rodriguez is the hot new rookie in town, landing a position in the starting lineup of the team of his dreams and playing alongside his idol, Matt Blanco. Iggy doesn't think it can get any better, until an unexpected encounter in the locker room with Matt proves him wrong.

A relationship and everything it could reveal has never been in the cards for Matt, but Iggy has him rethinking his priorities. They fall hard for each other, struggling to make it through trades, endorsement deals, and the threat of retirement. Ultimately they will be faced with a choice: love or baseball?

"First Edition published by Loose Id LLC, 2012."

From reader reviews:

Doris Edwards:

The book *Out in the Field* will bring one to the new experience of reading some sort of book. The author style to spell out the idea is very unique. If you try to find new book to read, this book very suited to you. The book *Out in the Field* is much recommended to you to learn. You can also get the e-book from your official web site, so you can quickly to read the book.

Russell Belcher:

People live in this new morning of lifestyle always attempt to and must have the free time or they will get great deal of stress from both day to day life and work. So , when we ask do people have extra time, we will say absolutely without a doubt. People is human not a robot. Then we question again, what kind of activity do you have when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative in spending your spare time, the book you have read is usually *Out in the Field*.

Angela Dreiling:

Reading a book to become new life style in this season; every people loves to examine a book. When you learn a book you can get a lot of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information on it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this kind of us novel, comics, and soon. The *Out in the Field* offer you a new experience in reading a book.

Arnold Allison:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this *Out in the Field* can make you experience more interested to read.
