What's funnier than cats with stuff on them? *Wet Cats*. When Stuffonmycat.com (a Yahoo! Top 25 Web site featured on "The Daily Show with Jon Stewart") launched in 2005, some of the first images posted were of adorable, laugh-out-loud funny, somewhat pathetic cats that for one reason or another were soaked to the bone. Whether they were caught outside in a rainstorm, rolled around in something foul and required a good scrubbing, or enjoyed bathing for fun, these cats got wet. Good thing their owners had a camera handy. This refreshingly clean addition to the *Stuff on My Cat* series features 200 of the best photographs of wet cats from the ever-popular Web site, and is the only book of its kind in the world.
