How much is worth risking?

Gabe Sullivan risks his life every day as a firefighter in San Francisco, but he knows better than to risk giving his heart again. Especially not to the woman he saved from a deadly apartment fire...and can't stop thinking about.

Megan Harris owes everything to the heroic firefighter who saved her and her daughter. Everything except her heart. Because after losing her pilot husband, she has vowed to never suffer through loving—and losing—a man with a dangerous job again.

But when Gabe and Megan meet again, how can he possibly ignore her courage, determination and beauty? And how can she deny not only his strong bond with her daughter...but also his sweetly sensual kisses, challenging her to risk everything she's been guarding for so long?
