English and the Discourses of Colonialism (The Politics of Language) Alastair Pennycook

English and the Discourses of Colonialism opens with the British departure from Hong Kong marking the end of British colonialism. Yet Alastair Pennycook argues that this dramatic exit masks the crucial issue that the traces left by colonialism run deep.

This challenging and provocative book looks particularly at English, English language teaching, and colonialism. It reveals how the practice of colonialism permeated the cultures and discourses of both the colonial and colonized nations, the effects of which are still evident today. Pennycook explores the extent to which English is, as commonly assumed, a language of neutrality and global communication, and to what extent it is, by contrast, a language laden with meanings and still weighed down with colonial discourses that have come to adhere to it.

Travel writing, newspaper articles and popular books on English, are all referred to, as well as personal experiences and interviews with learners of English in India, Malaysia, China and Australia. Pennycook concludes by appealing to postcolonial writing, to create a politics of opposition and dislodge the discourses of colonialism from English.

So , for all of you who want to start reading through as your good habit, you may pick English and the Discourses of Colonialism (The Politics of Language) become your starter.

William Chestnut:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach

Chinese's country. Therefore this English and the Discourses of Colonialism (The Politics of Language) can make you really feel more interested to read.
