An elegant collection of appliqued roses comes together to form a heart-shaped border around an exquisitely-quilted heart in the center of this delicate new quilt design. The roses are at their most dainty-just before they burst open into full bloom. And the quilting is at its loveliest, drawing the eye to the central heart motif. An extra feature of the book is a variation of the pattern designed especially for wall hangings. It is called "One Dozen Roses." The Heart of Roses Quilt provides all templates for appliqueing and quilting, along with assembly instructions, fabric requirements, and complete guidelines for completing the project. Both the novice as well as the accomplished quilter will find this pattern a joy to make.
