Huna, a Secret Science At Work - The Huna Method As a Way of Life Max Freedom Long

The word kanuna is an ancient term and is in use today. It is pronounced "kah-hoo-nah" and meant "keeper of the secret." The word for their secret lore was never found. The role of secrecy had been so strong and so well kept that it may never have been given a name. . . The name we used, for this reason, was Huna (pronounced "hoo-nah"), which means "secret." Enough basic information will be incorporated in this book to give a working picture of the system of beliefs and practices upon which experimental work has been based. Interspersed with the instructions will be found explanations of the sources of conclusions, of symbols, words, and word-roots familiar to Huna, but which we also found in other religions, mainly Christianity. These will tend to show that the meanings ascribed to Huna are well founded. Huna is compatible with other systems. It interferes with none of them, but makes possible a greater understanding of the old truths. (From the Introduction) Get Your Copy Today!
