The Last Highlander

Sarah Fraser

The Last Highlander Sarah Fraser

Fans of C.J. Sansom must read this Saltire Society Literary Awards Scottish First Book of the Year – a great non-fiction adventure about Scotland's most notorious clan chief.

Simon Fraser, Lord Lovat, was the last of the great Scottish chiefs – and the last nobleman executed for treason. Determined to seek his fortune with the exiled Jacobite king in France, Fraser acted as a spy for both the Stuarts and the Hanoverians; claimed to be both Protestant and Roman Catholic.

In July 1745, Bonnie Prince Charlie launched his last attempt to seize back the throne, supported by Fraser and his clans. They were defeated at Culloden. Fraser was found hiding in a tree.

This swashbuckling spy story recreates an extraordinary period of history in its retelling of Fraser's life. He is surely one of Scotland's most notorious and romantic figures, a cunning and ambitious soldier who died a martyr for his country and an independent Scotland.

From reader reviews:

Kathie Richmond:

The book The Last Highlander can give more knowledge and information about everything you want. So why must we leave a very important thing like a book The Last Highlander? A few of you have a different opinion about reserve. But one aim which book can give many information for us. It is absolutely proper. Right now, try to closer with your book. Knowledge or facts that you take for that, you are able to give for each other; you may share all of these. Book The Last Highlander has simple shape but you know: it has great and large function for you. You can search the enormous world by open and read a reserve. So it is very wonderful.

John Reed:

Reading a publication tends to be new life style in this era globalization. With reading you can get a lot of information that could give you benefit in your life. Using book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story or even their experience. Not only the story that share in the books. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their skill in writing, they also doing some research before they write to their book. One of them is this The Last Highlander.

Charles Barton:

As we know that book is important thing to add our understanding for everything. By a e-book we can know everything you want. A book is a list of written, printed, illustrated or blank sheet. Every year had been exactly added. This book The Last Highlander was filled about science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading some sort of book. If you know how big good thing about a book, you can experience enjoy to read a publication. In the modern era like today, many ways to get book that you simply wanted.

Katrice Fredericksen:

Do you like reading a book? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many query for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but novel and The Last Highlander or even others sources were given information for you. After you know how the good a book, you feel desire to read more and more. Science publication was created for teacher or students especially. Those ebooks are helping them to add their knowledge. In some other case, beside science publication, any other book likes The Last Highlander to make your spare time considerably more colorful. Many types of book like this one.
