Change in the Village

George Sturt

Change in the Village George Sturt

George Sturt (1863-1927), who also wrote under the pseudonym George Bourne, was an English writer on rural crafts and affairs. Sturt's first published book was *A Year's Exile* (1898), a novel--his only published novel--about country life among the people of Surrey. Many of Sturt's later books, essays, and articles dealt with country people and life, and at times with more specific and technical aspects of the practices and tools of the wheelwright and farmer. Among such books were *The Bettesworth Book* (1901), *Change in the Village* (1912), *Lucy Bettesworth* (1913), *A Farmer's Life, with a Memoir of the Farmer's Sister* (1922), and *The Wheelwright's Shop* (1923), often considered to be his best book. Sturt also authored a book on aesthetics titled *The Ascending Effort* (1910).
