Commodore Farmer Gene N. McMurtry

Description:

The largest wormhole ever discovered, a new undeveloped galaxy brimming with immense resources, an unexpected marriage, royal intrigue, and hostile totalitarian forces shadow the exclusive path to new worlds. The story features a twisting plot, powerful scheming enemies, and huge rewards for success.

Two worlds, Spotsylvania and Tsinnendorf, fighting for control of a mineral-rich third, Ra.

The royal couple must fight to survive, keep their family together, and their trio of stars from collapsing into war and anarchy as the solar systems fight over their child who is an heir to both thrones.

One man holds the key to his survival and the future of the galaxy. The Federation is urgently seeking him. His powerful enemies want him dead because he is the key to saving the rest of the galaxy from all out war. An unfathomable reward awaits — if he succeeds.

Join Commodore Farmer and his meager forces on this complex and dangerous mission.

A great military science fiction space opera of clashing royal empires, adventure, and a scheming church leader.

115,000 words (equivalent to 431 pages in mass market paperback form)
