How to text a man, flirt, tease and leave him begging you for more

I'm sure you have heard of the adage - the way to a man's heart is through his stomach. But that saying is now quite old and there is a new one in town, which goes - the way to a man's heart is through an SMS. Yes, that's right, just with a phone SMS, you can win over your man's heart and not have to set a foot in the kitchen! So if you have a man in your mind, then all you have to do is type away to his heart. You can, in fact, make any man swoon for you, just by typing a few words on your mobile phone!

In Get the Guy by Texting:

- Eight texting secrets for women
- Nine keys to sexting like a pro
- Nine phone sex basics
- Ten mistakes to avoid while texting a man

Although most of these techniques work on men of all types, you can customize them to your liking, depending on the type of man that you are trying to flirt with.

Once you garner the confidence, you will be able to text men, more and more, and get them to like you faster. If you think you need to have a trial run before you start to message the boy of your dreams, then you can enlist the help of a friend, and ask him to text you to check your flirting ability. You can ask him to correct you if you are going wrong somewhere and also tell him to point to where you are going right. Once you think you have the right skills to do it, you can start messaging your dream boy and get him to fall for you.
