Painting Landscapes (Beginner Art Guides)

"Beginner Art Guides" instruct in the fundamentals of art, then present a series of projects for the student to master. Projects are presented in order of difficulty, and are supplemented with practical suggestions, ideas for color experiments, and techniques for creating special effects. The final page of each book presents a capsule biography of a famous artist whose work offers classic examples of the title's central subject. This volume demonstrates the nearly limitless variety of styles that can be employed in rendering landscapes, with special attention to features of terrain, trees, the effects of weather and seasonal changes, and much more.
