Betty Banks is pregnant when she discovers that her husband, Ronnie Banks has been cheating on her. He is a football player and one day a friend of hers tells her that she has just spotted him with another woman. Betty also has a private investigator out there looking for any dirt on Ronnie's activities. After her best friend, Anita, tips her off, Betty heads for the stadium where her husband is playing. She arrives late, and her investigator sends her pictures of her husband making love to another woman. She gets so affected by the information, that even when she finally spots her husband with another woman, she is too weak to confront them.

Ronnie's best friend and fellow footballer, Mike, has always had a crush on Betty, and when he discovers that Ronnie is cheating on her, he uses it to his advantage. They end up at his apartment, and he ends up having sinful sex with his best friend's pregnant wife. Now the issue is, after tasting the honey outside the pot, will Betty be able to go back to Ronnie, or will she choose to remain with her husband's best friend?
