**The Text of the New Testament: Its Transmission, Corruption, and Restoration** Bruce M. Metzger

This comprehensive work on the text of the New Testament provides information about ancient and newly discovered manuscripts, and offers various interpretations of the significance of manuscript evidence. It contains references to more than one hundred and fifty additional books and articles dealing with Greek manuscripts, early versions and critical studies of witnesses to the text of the New Testament. Designed for the student, the author discusses a variety of textual problems, simple and complex. He also gives an objective account of the several schools of textual methodology, while indicating what in his view is the most satisfactory procedure for beginners to practice. For this third (and first paperback edition), the author has added an appendix describing recent advances in the textual criticism of the New Testament since 1964.
