WELCOME BACK FOR CHAPTER FOUR (of Book Three). NOTE OF EXPLANATION ABOUT THE CONTENT TO FOLLOW...but first, for initiates::

Is sex essential? Is it truly, deeply important in a loving relationship? Of course it is!

The real-life "Tom and Heather Wellesley" were a once-highly-attractive couple who five years ago found themselves in a slightly boring, out of shape "family rut." In their thirties, their intimacy and excitement had gradually waned, opening the door for, among other pitfalls and stresses, the possibility of boredom-induced divorce.

However in divorce's face they fashioned, by mounting degrees, a culture of their own creation, not knowing in the beginning that, what they were enjoying - "hotwifing"- was already a widely-practiced worldwide phenomenon.

This marital game-changer included couples not only in "the Wellesley's" position and context, but countless others who lived wildly varying lives and lifestyles (within similarly wide-ranging philosophies and mores) - culturally as well as intellectually.

Herein is the specific story of (the real) Tom and Heather's mode of enjoyment, and their approach going forward - across the far-flung canvas of the hotwifing landscape.

At the outset of their (real) adventures, "Heather" faced a serious learning curve as her seduction techniques met at first, ironically, with alternating degrees of bemused and bemusing success. Plus some ironic and ego-challenging non-success!

Still, Tom's love life with Heather began to immediately re-percolate, soon escalating as dramatically as it did for the real-life couple upon whose story this sensuous, sensual tale is warmly based - and with whose input and approval (and co-editing) it was written. Involving grander, more intimate and more intriguing successes for Heather - with, and, occasionally, without Tom - to follow - and follow! Continuing here in Book Three, Chapter Four: On Fire - Men

NOTES: 4/27/16

Dear Friends and Fans of the real "Tom," and real "Heather:

For those of you who might be interested in how "Tom and Heather" arrived in this phase of their adventure(s) - plus a bit about where and how they are "adventuring" today via a backstory (with some choice bits from Book Three's final chapter by way of flash-forwards), you might enjoy purchasing all 11

chapters at once, of BOOK ONE of their trilogy, available exclusively here on Amazon; perhaps also BOOK TWO's fourteen chapters. Each is \$9.99, available only here.

For new readers, welcome! Regarding "the chapters:" roughly every Thursday a new chapter of "Tom and Heather, Book Three" will appear for \$2.99...a bit the way Charles Dickens placed a new chapter of his novels in magazines on a weekly basis.

Do what works best for you - hopefully with an open mind, and an appreciation for the real Tom and Heather's remarkable, rewarding and sometimes amusing and even touching, albeit sometimes frustrating journey. Yet almost always, in some fashion, sizzling!

Best, and enjoy!

With appreciation,

Morgan Snow

BTW Book THREE in its entirety for \$9.99 is NOT yet available. Although it is complete now in first draft form, it needs additional weekly editing by yours truly, who, alas, must also hold down a full-time job.

With smiles and good wishes from...the three of us!
