Adrienne Onofri has created an exceptional guide to and through Brooklyn's most interesting and notable neighborhoods, providing a mix of information about culture, history, architecture, places to eat, venues to visit, and more. From a walk through the Russian-influenced Brighton Beach, to the expansive Prospect Park, and out to Red Hook, Walking Brooklyn reveals the many layers and sites of Manhattan's lesser-known neighbor. This two-color book features 30 routes, a clear neighborhood map for each walk, black-and-white photographs, and critical public transportation information for every trip. Route summaries make each walk easy to follow, and a "Points of Interest" section outlines each walk's highlights.
