Duo

Marcia Muller

Duo Marcia Muller

The world's first two-author, husband-and-wife short story collection. Marcia Muller and Bill Pronzini are two of the world's most popular and respected mystery authors. Their new collection demonstrates why this team has so many fans. Here you'll find Muller's famous Sharon McCone searching for the dark truth in "Somewhere in the City." Pronzini's long-heralded private eye Nameless is tracking down a clever killer in "Home is the Place Where." McCone and Nameless team up in the wry "Cache and Carry." Fourteen great stories in all.

From reader reviews:

Ellen Jorge:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to know everything in the world. Each publication has different aim or perhaps goal; it means that guide has different type. Some people truly feel enjoy to spend their time to read a book. They are reading whatever they acquire because their hobby is usually reading a book. Consider the person who don't like reading through a book? Sometime, man feel need book when they found difficult problem or maybe exercise. Well, probably you should have this Duo.

Edwin Dulac:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their free time with their family, or their friends. Usually they accomplishing activity like watching television, likely to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your current free time/ holiday? Could be reading a book is usually option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of publication that you should read. If you want to test look for book, may be the book untitled Duo can be very good book to read. May be it might be best activity to you.

Mindy Simmons:

A lot of people always spent their free time to vacation as well as go to the outside with them friends and family or their friend. Are you aware? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. In order to try to find a new activity that's look different you can read any book. It is really fun for you. If you enjoy the book that you read you can spent the whole day to reading a reserve. The book Duo it is rather good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. Should you did not have enough space bringing this book you can buy often the e-book. You can m0ore easily to read this book from a smart phone. The price is not to cover but this book offers high quality.

Jerry Thomas:

Your reading sixth sense will not betray you actually, why because this Duo reserve written by well-known writer we are excited for well how to make book that could be understand by anyone who else read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your current hunger then you still question Duo as good book but not only by the cover but also by content. This is one reserve that can break don't evaluate book by its cover, so do you still needing a different sixth sense to pick that!?! Oh come on your examining sixth sense already told you so why you have to listening to another sixth sense.
