How to Use Avidemux: The Open Source Video Editing Software for complete beginners Kayo Breno da Silva

“How to Use Avidemux” book gives us all the information we need to make great use of Avidemux. It provides a practical tutorial for using all of the Avidemux features to edit our videos, add special effects and subtitles and capture great quality videos from analogue sources, and much more. We will also learn how to choose the right settings to get video file sizes down without compromising on the video quality. This book is written by an Avidemux enthusiast for new and intermediate users. It's ideal if we are just starting with video processing and want a powerful and free tool, or if we've already started with Avidemux and want to take it a little bit further.
