## Sweetgrass Mary Alice Monroe

Sweetgrass is a historic tract of land in South Carolina that has been home to the Blakely family for eight generations. But Sweetgrass?named for the indigenous grass that grows in the area?is in trouble. Taxes are skyrocketing. Bulldozers are leveling the surrounding properties. And the Blakelys could be forced to sell the one thing that continues to hold their disintegrating family together.

In this poignant novel of hope, acceptance and the powerful gift of forgiveness, Mary Alice Monroe paints an intimate portrait of a family that must learn to unravel old patterns and weave together a new future.

“The lush details in this prodigal-son tale bring the low-country setting to life.... Readers who enjoy such fine Southern voices as Pat Conroy will add the talented Monroe to their list of favorites.” *Booklist*
