The Q Continuum (Star Trek: The Next Generation) Greg Cox

The unpredictable cosmic entity known only as Q has plagued Captain Jean-Luc Picard and the crew of the Starship *Enterprise*TM since their very first voyage together. But little was known of Q's mysterious past or of the unearthly realm from which he hails.

Until now.

A brilliant scientist may have found a way to breach the energy barrier surrounding the Milky Way galaxy, and the *Enterprise* is going to put it to the test. The last thing Captain Picard needs is a surprise visit from Q, but the omnipotent trickster has more in mind than his usual pranks. Kidnapping Picard, he takes the captain back through time to the moment the Q Continuum faced its greatest threat.

Now Picard must learn Q's secrets -- or all of reality may perish!

Carl Melton:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Q Continuum (Star Trek: The Next Generation) can make you sense more interested to read.
