Ella Stanford and Phillip Arden work in the same law office and both agree that work and romance shouldn't mix. When Ella begins to have erotic dreams that include Phillip as a nameless Master in a sumptuous castle, she is drawn to the real man, though she knows better than to believe that dreams resemble reality. Little does she realize that Phillip, too, is visited by these same powerful, secret dreams involving Ella's sexual slavery and erotic submission. In the increasingly bizarre and dangerous alternate dream world, sexy fantasy becomes an all-too-real and dangerous reality. Will Ella and Phillip be able to resist their growing and undeniable attraction to each other, while finding a way to overcome the cruel, powers that control their parallel dreams?
