Erich Fromm

El Miedo a la Libertad (Spanish Edition) Erich Fromm

Este libro intenta explicar los aspectos de la crisis contemporánea de la civilización occidental relacionados con la libertad del hombre. Una crisis que ostenta diversas manifestaciones, de las que Fromm destaca dos para sus fines analíticos: su expresión política (el fascismo) y su expresión sociocultural (la creciente estandarización de los individuos en las sociedades avanzadas). Ambas manifestaciones de la crisis no son más que formas colectivas de evadir la libertad. El análisis de Fromm va dirigido precisamente a esclarecer esta paradoja a través de un examen del significado de la libertad para el hombre moderno y de sus intentos de rehuirla.
