**A strategic guide that arms business owners with ways to escape the growing cost of workers' compensation insurance**

Workers' compensation insurance adds up to a huge, yet unavoidable, expense for businesses of all sizes. Edward J. Priz has discovered and reclaimed more than \$10 million of workers' compensation overcharges for his clients, and now he offers the same professional advice to his readers. This easy-to-understand guide:

- Enables readers to spot mistakes and stand up to insurance companies
- Translates complicated technical concepts and industry jargon into simple English
- Offers a concise explanation of industry practices that directly affect the costs of insurance, with insight on how to make sure a coverage plan is set up accurately
- Provides detailed information about each state's unique rules and regulations, and explains how coverage plans differ

*Ultimate Guide to Workers' Compensation Insurance* provides a behind-the-scenes look at this complicated issue and puts control back into the hands of business owners. Its countless money-saving tactics could save many small businesses from having to shut their doors.
