In the Basement of a SOUL Child's Mind: The Extended Short Story Jasmyne K. Rogers

In the Basement of a SOUL Child's Mind entails the story of a narrator's preexistence through the untold legacy of her parents during the Black Power era. This short story is a "generational" story that intertwines and bridges the gap between past and present in hopes of awakening the minds of the African American community. In the Basement of a SOUL Child's Mind tells the story of the SOULS, a covert non-violent group that existed in the early 1970s in rural Alabama, a story untold and unsung that remains in the "basement" of American history.
