Keepsakes (One of the best short-novels ever)

Mike Resnick

Keepsakes (One of the best short-novels ever) Mike Resnick

"Keepsakes by Mike Resnick kept me glued to my seat until the very end"

Melissa Dalton

"Addictive and thought provoking"

Livia Blackburne

"When I finished Keepsakes, it was initially unsatisfying. But then I found the story twisting in my head. It exposed facets and morals and wry observation that I didn't spot immediately."

Jason R. Stevens

ABOUT THE AUTHOR

Mike Resnick currently stands first on the Locus list of all-time award winners, living of dead, for short fiction, and 4th on the all-time list of award winners for all lengths.

REVIEW

A wonderful and intense short sci-fi novel. A great plot, with quirky and fascinating characters. A touching story you will not forget.

"They came like a plague, blown on the galactic winds.

No one knew where they came from, no one knew where they were going, no one even knew for sure if they were human. One day they would appear and offer their services, and sometime later they would leave, their coffers filled to overflowing with broken dreams and shattered hopes. Oh, they were paid in currency, lots of it—but what they really traded in was misery.

They had many names, some of their own devising, some not. The one that stuck was the Star Gypsies.

It was my job to hunt them down. Of course, no one told me what to do when I caught them, because they usually hadn't broken any laws. Hearts, yes; dreams, absolutely. But laws? Not often, if at all."

Keepsakes is a short novel (+/- 19.000 words)

From reader reviews:

Eleanor Landa:

In this 21st century, people become competitive in each and every way. By being competitive right now, people have to do something to make themselves survive, being in the middle of the particular crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yeah, by reading a reserve your ability to survive boost then having chance to remain than other is high. To suit your needs who want to start reading a book, we give you that Keepsakes (One of the best short-novels ever) book as beginner and daily reading book. Why, because this book is more than just a book.

Gloria Lockwood:

Do you one among people who can't read enjoyable if the sentence chained within the straightway, hold on guys this aren't like that. This Keepsakes (One of the best short-novels ever) book is readable through you who hate those perfect word style. You will find the information here are arranged for enjoyable looking at experience without leaving actually decrease the knowledge that want to offer to you. The writer associated with Keepsakes (One of the best short-novels ever) content conveys the idea easily to understand by most people. The printed and e-book are not different in the content but it just different by means of it. So, do you continue to thinking Keepsakes (One of the best short-novels ever) is not loveable to be your top list reading book?

Carl Speed:

Information is provisions for people to get better life, information today can get by anyone from everywhere. The information can be an expertise or any news even a concern. What people must be consider while those information which is within the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you find the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take Keepsakes (One of the best short-novels ever) as your daily resource information.

Heather Bly:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just small students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So, this Keepsakes (One of the best short-novels ever) can make you feel more interested to read.
