## Numbers

Alain Grée's beautiful illustrations from the 1960s and 70s are known throughout the world. With their naivety of form and bold use of color, their charm is undeniable. *Numbers* features Alain Grée's stunning vintage illustrations on every page. Aimed at children aged 2 to 5 years, *Numbers* is a beautiful hardcover book with embossed artwork and jacket. Clear, easy-to-read text is presented alongside the illustrations to teach a range of numbers and simple sums featured throughout as examples to reinforce and learn from. Despite their simplicity, there is a richness of content in the illustrations that children are fascinated by, and this wealth of information is a joy for adults to share and discuss, making the potential for learning endless.
