The Apocalypse, Armageddon, Judgment Day, Doomsday, cataclysmic disasters on a Biblical scale. . .the End of Days as we know it. This book is your guide to navigating the revelation, and the Rosetta Stone for deciphering this once-every-25,800-year galactic alignment cycle set to commence on December 21, 2012. *Open Your Eyes: To 2012 and Beyond* will lay the foundation and build a framework around 2012 to help you ascertain the answers to the question that's synonymous with ambiguity: When will the world as we know it end? *Open Your Eyes* will literally do just that-open your eyes-and release you from your programmed mind in order to shed light and truth on controversial subjects bound together by fate, not coincidence. Part self-help, part current affairs, this book provides an investigation of a myriad correlating prophecies and events that synergistically corroborate one another. Each piece of the End of Days puzzle comes into view by the book's end to reveal a crystal clear picture of what is about to occur with our fragile world. This complete picture *will* manifest an epiphany within you. Many topics discussed here have remained undisclosed to the public, are sensitive and not publicly indoctrinated. Trained for war by the U.S. Marines Corps infantry and then turned pacifist, author Drew R. Maras raises the flag of awareness on the duality of man and the importance of peace. So, if you want some answers-or just a provocative, powerful ride-this book is just for you. <? xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />
