Sky of Red Poppies Zohreh Ghahremani

Sky of Red Poppies begins with a casual friendship between two schoolgirls coming of age in a politically divided 1960's Iran under rule of the Shah. Roya, the daughter of a prominent family, is envious of the fierce independence of her religious classmate Shireen. But Shireen has secrets of her own. Together, Roya and Shireen contend with becoming the women they want to be, and in doing so, make decisions that will cause their tragic undoing. In the unraveling of family secrets, Roya begins to question how she was raised and how to become the person she wishes to be. Set against the backdrop of a nation forced to mute its profound identity, Sky of Red Poppies is a novel about culture, politics and the redeeming power of friendships.
