This is a simple book to read. It is a collection of 25 things that I have found helpful at building my family. You should be able to get through it in about an hour and it will help you. I have been blessed with helping raise 5 children over the past 35 years. They now range in age from 12 to the thirties. I have daughters and sons. In addition I have dozens of other sons and daughters that have joined us for our journey as our extended family. We are not the "Perfect Family". I divorced after 21 years of marriage and raised three of my children pretty much as a single dad. I remarried after the first batch left the nest to a woman with two children. The father of those children is daily engaged and together all of us have been building a new family. I want to give you the benefit of many years of building a fairly complex family. I have tried thousands of techniques and tricks that really never worked. These are the top 25 things that have worked for me and they can work for you. Here is the stuff that works building families!
