The Coast Guardsman's Manual, 10th Edition

Jim Dolbow

The Coast Guardsman's Manual, 10th Edition Jim Dolbow

Regardless of rank or time in service, all Coast Guard personnel find this manual to be essential to their professional development. Its value as a ready source of guidance is attested to by generations of men and women who have made it a part of their personal libraries since 1952, when the first edition was published. Today, it remains the basic training manual for entry-level personnel at enlisted and officer training schools.

This tenth edition is designed to bring the reader into the twenty-first century of training and operations. New materials and photographs fully describe the modern Coast Guard and its equipment. Updated information is offered on Coast Guard missions, organization, history, maritime law enforcement, intelligence, among other subjects. Continued emphasis is placed on safety of life, protection of national assets, and defending the homeland.

This book is ideal for anyone serving in the U.S. Coast Guard.

Thomas Hall:

That publication can make you to feel relax. This kind of book The Coast Guardsman's Manual, 10th Edition was multi-colored and of course has pictures on the website. As we know that book The Coast Guardsman's Manual, 10th Edition has many kinds or category. Start from kids until young adults. For example Naruto or Investigation company Conan you can read and believe that you are the character on there. Therefore not at all of book tend to be make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading which.

Judith Bradshaw:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Coast Guardsman's Manual, 10th Edition can make you experience more interested to read.
