The all-new edition of the award-winning Photoshop bestseller! The first edition of The Photoshop Wow! Book garnered the prestigious 1994 Computer Press Award for the best book of its class, and the second edition took top honors in the 1996 Benjamin Franklin Awards. This new edition, expanded and updated for version 4, continues to set new standards for clarity and creativity in computer publishing, combining hundreds of new techniques, new projects, and new illustrations. This hands-on guide provides "click and drag" presentations of painterly, photorealistic, and special effects techniques. Hundreds of time- and work-saving tips are covered as well. An all-new chapter on Web graphics and techniques explores the special considerations that this new medium entails. The book is heavily illustrated throughout showing real-life projects created by top Photoshop artists.
