## **Children's Gardens: Twelve Theme Garden's for Families** Edwin L. Howard

Children love flowers, plants and the outdoors and there is no better way to encourage this appreciation than having a garden designed specifically for children to enjoy and help maintain. "Children's Gardens" is a charming introduction to garden design that can help children learn about the natural world, conservation and responsibility. This volume features 12 detailed plans for creating simple, rewarding and child-friendly gardens - including ones for even the smallest spaces. It also includes a complete materials list and useful tips on successful garden maintenance. This is a must have volume for any parent who wants to encourage and develop their child's awareness and appreciation of the natural world.
