Entangled Thorns (Cedar Hollow Series) (Volume 3) Melinda Clayton

Beth Sloan has spent the majority of her life trying to escape the memories of a difficult childhood. Born into the infamous Pritchett family of Cedar Hollow, West Virginia, she grew up hard, surrounded not only by homemade stills and corn liquor, but by an impoverished family that more often than not preferred life on the wrong side of the law.

After the mysterious death of her brother Luke at the age of thirteen, seventeen year old Beth and her younger sister Naomi ran away from home, never to return. As the years passed, Beth suppressed the painful memories and managed to create a comfortable, if troubled, life with her husband Mark and their two children in an upscale suburb outside of Memphis, Tennessee. But the arrival of an unwelcome letter threatens to change all that.

Against her better judgment, and at the urging of her sister Naomi, Beth agrees to return to Cedar Hollow, to the memories she's worked so hard to forget. When old resentments and family secrets are awakened, Beth must risk everything to face the truth about what really happened to Luke that long ago summer night.
