26-year old Jessica Fox has loved and admired the world-famous priest Gabrielle Amory ever since she saw a YouTube video of him performing an exorcism on a possessed child. That famous video has amassed over a billion views, and it was what enticed Jessica to seek him out for an interview. The magnanimous and charismatic Mr. Amory agrees to let Jessica videotape another one of his exorcisms for a special report. Unfortunately for Mr. Amory and everyone involved, this exorcism goes horribly wrong and the expunged demon goes on a killing rampage. The demon only agrees to halt the bloodshed if Jessica decides to return with him to Hell and engage in hot, wild, immoral, orgiastic sex. Jessica agrees, as she's always wondered what it's like to bang an inter-dimensional demon from Hell. (I mean, like, who hasn't?) Once in Hell, Jessica meets Death and Satan, both of whom want to join in the debauchery. How could Jessica possibly resist? This is the fourth erotica short story in the "I Banged" series, featuring sultry and fiery journalist-turned-sexual-deviant Jessica Fox. One day she's banging the president, the next day she's riding Santa Claus, the day after that she's getting eaten out by Big Foot. Admit it, you're mighty jealous of all the banging Jessica does. (Except, of course, when Jessica has sex with an inter-dimensional demon from Hell. Even she has to admit that's a bit weird.)
