I have no choice... I have to kill her.

We saved her from a burning apartment building and she set a fire between me and Layne. I wear my cut and my President's patch proud, hell bent on fixing years of mistakes. But as I stand and watch my best friend making the biggest mistake of his life, I know there's not much I can do.

Until he brings his mistake into the clubhouse.

Anneliese is the woman every man should run from – even an outlaw like me. She sinks her teeth deeper into Layne and deeper into my club, soon putting us all in danger.

As I try to mend broken promises, Layne begins to make a promise of his own – to take the President's patch from me.

I can't let that happen.

I can't let my club be in danger.

There's only one way to fix it... even if I lose my best friend...

I have no choice – I have to kill her.
