It was enough to push Tamika into a secret affair with her boss Jin. A good looking Asian-American man from Brooklyn.

With Reggie now in jail on a murder charge, Tamika wants to put it all behind her and move on with Jin. However, this is easier said than done.

Jin is the perfect man for Tamika but with so much going on in her life can she really make things work with him? Is this a typical case of right man but wrong time?

Either way, Tamika is going to have a **HUGE** decision to make when it becomes obvious that her husband might actually be innocent after all...
