The Second Ship: The Rho Agenda, Book 1 Richard Phillips

In 1948, an alien starship crash-landed in the New Mexico desert and brought with it the key to mankind's future. Code-named the Rho Project, the landing was shrouded in secrecy, and only the highest-ranking US government and military personnel knew it existed. Until now.

The US president is preparing to unveil one of the nation's greatest secrets when three students stumble across the wreckage of a second ship outside of Los Alamos. With a single touch, the alien technology the government has spent untold resources trying to unlock is uploaded into the minds of three teenagers - teenagers who now know the frightening truth about the Rho Project. The battle for humanity has begun.
