From USA Today Bestselling Author.

*This is a two part series, both parts are now available. This is the second part**

You know how it went for me.

You know what he did.

You know the fire he left inside my soul when he crushed me into a thousand tiny pieces.

Since Marcus, my life has been a blur of emptiness.

Since Marcus there has been nothing.

I'm alone, my Mom is dwindling and I feel nothing but emptiness. I work long, I work hard, but why?

There's no longer anything to fight for.

I know I have to face him. I know I have to go back. To fix my life, I have to break my ties to him.

Seeing Marcus again will destroy me, but it's time to finish this.

I don't expect the bitter, twisted emotions I'll feel when I see him again, and when I lose everything once more, because of him, the only thing on my mind is revenge.

But how do you hurt someone you still love so deeply?

How can I still care for a monster? How can he still make me feel?

Our story is the most complicated of them all, it's far from beautiful, it's far from perfect, it's just a twisted mess of emotion that neither of us knows how to fix.

But we will fix it. You'll see.

Contains Adult Content. No Cliffhanger. HEA.
