This book contains a true love story wherein both of them were precocious but full of excitement and at the end of the day they loved each other. Many obstacles arose which they welcomed with open arms. Misunderstandings strived hard to diffuse their love but they failed, their love after all sprang not from their body but from their soul. They saw the world inside each other. A third force worked its way to break them but failed in its attempt to shatter their bond which was not made to be broken, yet they were shaken by doubt due to outside interruption. They started having vigorous scuffle despite the fact that their togetherness had the approval of the almighty. They never stopped caring for each other whatever the condition turned out to be.
