**King Arthur, World History, and The Church: Mysteries of Earth Unfolded** Elayne Pair Gibbons

Did King Arthur really find a sword in a stone? Was his chief counselor a Druid named Merlin? What was the Holy Grail, and did the Lady really live in the lake? Who are the Celts, David and Goliath, St. Patrick, Constantine the Great, Joseph of Arimathea, the Hyksos of Egypt, Old King Coel, or the American Indians? What was happening during the Dark Ages, the Crusades, and the Reformation? What do the Israelites have to do with it? If religion were really important, wouldn't it be the same throughout history? Ancient historians told about the Ten Lost Tribes of Israel, the real man behind the legends of Zeus, the Trojan horse, and the Picts. Finally someone consults the people who lived through these different eras, and put their stories together in one story, the story of our world.
