From beyond the tension zone comes this cheerful word and photographic tribute to the simple pleasures and hearty indulgences traditionally enjoyed along summer lake shores. Picture a montage of sun, fun, flip-flops, and wet swimsuits yielding to evening campfires, starlight serenity, s'mores and, on a good night, lightning bugs. This colorful and charming book transports readers from the workaday world to a joyously low-key but transformative lakeside destination that enriches lives and soothes souls.
