Sebastian Lesueur, extraordinarily handsome, billionaire has more than a few secrets. His passion for women keeps him moving between his many mansions all over the world. After centuries of different lovers, he's never found one he wanted to keep with him for the eternity that is his to live. Though a fairytale life on the outside, he lives a lonely existence. While staying in New York, he finds a woman who intrigues him more than any other ever has. Snow Sinclair is a savvy business woman and has no intentions of giving in to the well-known playboy. Her determination to keep him only as her client proves harder for Sebastian to penetrate than he imagined. What she believes is only a lust for her proves to be much more than Sebastian ever thought possible for his eternal life. If only he could get her to agree, for she would not be one he takes or transforms against her will.
