The Evil Genius

Wilkie Collins

The Evil Genius Wilkie Collins

This story was ahead of its time in presenting both the wife and the mistress of an adulterous husband in a sympathetic light and concentrating the reader's attention on the plight of the child involved in the break-up of a marriage. The 'evil genius' of the title is an interfering mother-in-law. Collins unexpectedly upholds double standards in a passage added shortly before publication, claiming that a husband's adultery should not, by itself, be sufficient grounds for divorce, and ends the novel with a reconciliation and remarriage.
