Courting the Countess Jenny Frame

Professor of Archeology Henrietta “Harry” Knight becomes Countess of Axedale upon her father’s death and takes a sabbatical from Cambridge University to begin refurbishing the long-neglected and run-down Axedale Hall. The child of a loveless marriage, witness to her father’s infidelities and her mother’s pain, Harry has no intention of ever falling in love.

Annie Brannigan is a survivor, remaining positive through hardships. As an agency housekeeper, she moves from post to post with her daughter Riley, taking care of people who have everything she will never have. Annie’s greatest wish is to find her happy ever after.

Can love restore the countess’s heart and the crumbling Axedale Hall, or will the first foundations of love turn to dust?
